WASHINGTON

MEMORANDUM FOR THE SECRETARY OF THE AIR FORCE

SUBJECT: Reconnaissance Satellite Program

The Secretary of the Air Force will have direct responsibility for the reconnaissance satellite program, and will report for review and approval on the program directly to the Deputy Secretary of Defense. A project management structure will be established within the Department of the Air Force which will ensure that the USAF director of the program will report directly to the Secretary of the Air Force.

The principal staff agency to assist the Deputy Secretary of Defense on the program is the Office of the Director of Defense Research and Engineering (ODDR&E). The USAF project management office will keep the ODDR&E fully informed, on a timely basis, concerning all matters pertaining to the program.
